

Hyde Park Basketball League

Gamers League 2012 is an instructional basketball league for young players to learn the "FUN-damentals" of the game under the supervision and direction of our experienced coaching staff. Practice sessions will be held on January 21st and January 28th, running in a clinic style setting. During this 2 week "instructional" period, players will work on specific basketball skills such as passing, shooting, dribbling, and ball handling.

We Got Game will assign each child to a team after the first 2 practices. Each practice and game will be one hour long.

Games will begin on February 4th. Games and times will vary for each player and will be released after the first 2 practices. At that time, each player will be placed on a team and will receive their official We Got Game team t-shirt. Game days will consist of a 20 minute warm-up practice prior to the starting time of their 40 minute game. Coaches will provide equal playing time for each player and will have a maximum of ten players on a team.

League is located at:
